We are proud to announce that the Special Events Committee, with the support of the mayor and councilors, have put in place a program aimed at acknowledging the athletic contributions/achievements that are taking place within our community both in the present and the past.

On Thursday, June 14th, at the Shearstown Community Center, we will be hosting the inaugural Town of Bay Roberts Athletics Awards.

These awards will recognize individual and team achievements that are currently taking place while at the same time acknowledging teams and individuals from the past. Awards fall into two categories:

(*nomination forms for these awards will be available at Ascension Collegiate, Amalgamated Academy and the town office)

B) Committee Based

- b. "Kevin and Langdon Critch" Builder Award – this award will be presented annually to an individual who has made a significant contribution to the development and growth of sport within our community.
