

Town of Bay Roberts Junior Volunteer Program

This summer, the town has decided to take on an exciting new program that is designed to provide youth with a workplace educational experience. Each participant will be mentored and exposed to the duties associated with being employed as a leader in their designated field ie: Rec staff, lifeguard/pool staff, event staff. The program will be available for ages 14+ and will have a limited amount of space. The applicants will be able to apply online <https://www.bayroberts.com> and will be contacted to discuss participation. The program prides itself in providing a fun filled atmosphere designed to challenge youth by developing self-respect and a sense of camaraderie through team building. Junior Volunteers agree to adhere to policies and procedures of the town of Bay Roberts and Department of Community Services, Recreation Division.

Date and times:

Youth are required to volunteer once a week during the summer season. The scheduled day and time will be determined between the youth and on-site supervisor.

Cost: Free
