MAYOR'S MESSAGE

I've lived in Bay Roberts all my life and driven our roads thousands of times. The bustle of Route 70 on a sunny day reminds me of our busy, vibrant, growing community. Walking down to the Goose Pond Eco Trail in early June, amid blooming tulips along our roads and gardens, we are fortunate to have such natural infrastructure and to have worked hard to balance our natural and built environments. I am so proud to be from and serve this community as mayor.

Through careful planning, enthusiasm, and support from stellar municipal staff and council, we now host four major events over the spring and summer months: The Seafood Festival, The Tulip Festival, Light the Lamp, and Klondyke Days. We also have great Canada Day activities and recognize our community's athletes. Our festivals and activities attract residents and tourists alike, marking Bay Roberts as a destination community. Our accomplishments are recognized nationally through the Communities in Bloom program. We have much to celebrate.

We are steadily working on road, water, and wastewater infrastructure. This summer, the Water Street project, including water, sewer, storm sewer, and sidewalk work from the Crossroads to Barrack's Road, is moving forward. The Shearstown Phase 2 project is also proceeding, and we will see the alignment of the Crossroads and Shearstown intersection to improve safety.

As we plan for our community's future, we must focus on the well-being and quality of life of our residents, including housing, recreation, and the natural environment. Our thriving businesses and community organizations, many locally owned, contribute greatly to our community.

Hosting the Newfoundland and Labrador Summer Games in August will showcase what we have to offer in collaboration with surrounding communities, with whom we share great working relationships. This is our moment to shine.

I want to thank our dedicated staff, my colleagues on council, and all the volunteers who make all of this possible.

Walter

 VISITOR'S PAVILION**

Fire Safety

- Be safe. If you want to see fireworks, go to a public show.
- Do not use consumer fireworks.
- Keep a close eye on children at events with fireworks.
- Propane and charcoal BBQ grills should be used outdoors only.
- Keep children and pets at least three feet from the grill area.
- Keep your grill clean by removing grease buildup.
- Never leave your grill unattended.
- Always make sure your gas grill lid is open before lighting it.

In case of emergency, call 911
